Each day, choose one task from the grid below and complete it.

Choose an inspirational quote and create a poster for your room.	Change your bed sheets and build a sheet city in your bedroom before they get washed.	Follow a recipe with a family member.	Fold paper planes and see how far they will fly.	Find 10 different shaped leaves in the garden.
Choose a picture book and read to a family member, make sure you use interesting voices for the characters.	Build a house out of a deck of cards.	Build a forte using the couch and every pillow you can find.	Learn a new skill.	Try shadow drawing, leaf rubbings, bark or stones paintings.
Thread pasta on a piece of string, how long can you make your creation? Can you beat a family member?	Put on a puppet show using toys behind the couch.	Take everyone's height measurement on a door-frame	Organise your Lego and then have a building challenge. Who can build the best shop or house?	Keep a balloon in the air as long as possible, time yourself. Can you beat your times?
